

Here are some scenes of Grimesdale after two winter storms each dumped more than 8 inches of snow.

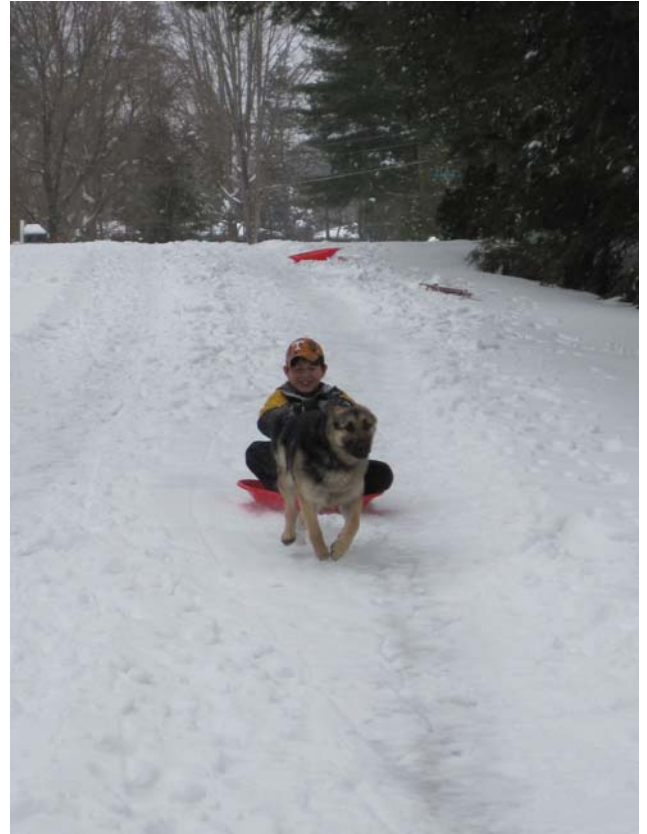

Jack and Carson Wolfe (top and right) of Florida Drive climb Crabapple Hill Lane with their sleds as Henry Ellis (center) of Crabapple Hill Lane takes his dog, Stella, for a brisk walk (or is it the other way around?)

Kala and Jack Wolfe take advantage of the snowy conditions.

Catherine Ellis hones her snowboarding skills.

Corey, Henry, and Catherine Ellis build an igloo near their home on Crabapple Hill Lane.

Always optimistic, a Grimesdale resident enjoys the snow while looking forward to sunny weather.
